

Lucie Rubio Fernández
3^{ra}

All numbers with two-digits (10-99), when we add together both digits and then subtract the total from your original number, it always gives one of the following numbers:

- 9
- 18
- 27
- 36
- 45
- 54
- 63
- 72
- 81

So all this numbers has the same simbol.
