Stage: 1 ★

Here are two dice.

If you add up the dots on the top you'll get 7

Find two dice to roll yourself. Add the numbers that are on the top. What other totals could you get if you roll the dice again?

- 6+6=12
- 2+3=5
- 6+5=11
- 2+2=4
- 2+1=3
